This year's themes are:

Week 1 June 10-14: Mad Scientist! Come join us as we take a fun, hands-on approach to science. We'll conduct experiments, create a few (safe) explosions, and have a real BLAST!

Week 2 June 17-21: BEACH- Frolic in the sand and surf! You'll visit the beaches of the world. There will be water play, seaside artwork, and more. Learn about all the different species that live in and around the water and why it is so important to help keep our beaches clean. We'll also have a thrilling Rubber Duck race on Friday!

Week 3 June 24-28: PAINTING WITH PICASSO- Get ready to get MESSY! We will be exploring different artists as well as discovering the use of various art materials. Who knows what amazing creations each budding artist will produce?

Week 4 July 1-5: Transportation! From bicycles to space shuttles, discover the world of transportation!

Week 5 July 8-12: SPACE & STAR WARS! We live in an amazing, vast, and beautiful universe! Join us on this exciting expedition into space, where you may even encounter some Star Wars characters along the way! FRIDAY: Dress up as your favorite character or astronaut!

Week 6 July 15-19: Safari! Grab your binoculars - it's time to go on a safari! Join us as we travel across the African plains, learning all about the people and wildlife that call Africa home.

Week 7 July 22-26: STEM! Come find out how things work! Learn how to take apart and put together and have lots of fun!

Week 8 July 29-Aug. 2:

A: SPA- Explore all things girly! We will learn manners, etiquette, get our nails done, and dress up galore! The highlight of our week will be a High Tea on Friday!

B: SUPERHERO- Whether they're flying through the air, battling fires, or fighting the enemy, these real and fantastical heroes will thrill you! Come celebrate the classic comic book heroes, every day heroes, and Biblical heroes that inspire us all.

Week 9 Aug. 5-9: Circus! - Campers will enjoy walking the tightrope, learning to juggle, and having all kinds of fun "clowning around."

Week 10 Aug. 12-16: DINOSAUR DIG! Come join us as we learn all about paleontology and study the diverse types of dinosaurs. We'll be making our own fossils and playing fun games like Footprint Search as we explore all things prehistoric!
