

St. Michael's Academy 2021 Elementary

Each week is a career themed STEM camp with tons of in-class activities and field trips!

Daily Schedule

Field trip departure times may vary.

9:00am Arrival- STEM lesson
10:00am Field trip
1:00pm Lunch
1:30pm Games and Crafts
2:00pm Dismissal

Students will enjoy stem activities using the Rozzy STEM Program. They will take at least three field trips during the week depending on the COVID-19 protocols! Parents will be able to register their children beginning March 19th using the following link:

<https://form.jotform.com/210694891824162>

Camp fees are \$150.00 per week with a weekly \$25.00 registration fee per child. Space is limited, don't wait to register! Call 703-754-1948 for more info.
