CAMPS MEET AT OUR HAYMARKET CAMPUS

Students will enjoy stem activities using the Rozzy STEM Program. They will take at least three field trips during the week when available! Elementary camps meet at our Haymarket campus. Children must be rising 1st graders through 5th grade. Parents will be able to register their children beginning March 17th using the following link:

<https://form.jotform.com/230715039314146>

Camp fees are \$225.00 per week and are non-refundable. Space is limited, don't wait to register! Call 703-754-1948 for more info.

Camp Themes and Field Trips:
