

St. Michael's Academy 2022 Elementary

Each week is a career themed STEM camp with tons of in-class activities and field trips!

Daily Schedule

Field trip departure times may vary.

9:00am Arrival- STEM lesson
10:00am Field trip
1:00pm Lunch
1:30pm Games and Crafts
2:00pm Dismissal

Students will enjoy stem activities using the Rozy STEM Program. They will take at least three field trips during the week depending on the COVID-19 protocols! Elementary camps meet at our Haymarket campus. Parents will be able to register their children beginning March 23rd using the following link:

<https://form.jotform.com/220735678079164>

Camp fees are \$200.00 per week and are non-refundable. Space is limited, don't wait to register! Call 703-754-1948 for more info.

To be added to the waitlist for any week, email Mrs. Gundry at admin@st-michaelsacademy.org

Camp Themes and Field Trips:

Week 1 June 27-July 1: CHEMIST/SCIENTIST: Children's Science Center

Week 2 July 5-8: ENVIRONMENT SPECIALIST - Water Treatment Facility, State Arboretum, Lake Brittle

(Week 2 is reduced to \$160 due to the holiday)

Week 3 July 11-15: PALEONTOLOGIST/ARCHAEOLOGIST: Gold Mining Museum, An Archaeological dig
